Summary

Investigator: Regarding liver donors, the situation now is that in general they are the type of healthy donors, right? The kind from Falun Gong practitioners, right?

Bai Rongsheng: Right, right, right, ah.

Phone Investigation Recording

Secretary: Hello, how are you?

Investigator: Is that President Shen Zhongyang at the Tianjin First Central Hospital?

Secretary: Hello, the phone call to him will be transferred. This is his secretary.

Investigator: Hello! How are you? Oh, you are his secretary. This is the case. I am the deputy director of the Office for Maintaining Stability at the Sichuan Provincial Political and Legal Affairs Commission. I am looking for President Shen to arrange for a surgery. Would you please ask him to take my call right now?

Secretary: He went abroad this week. He went abroad to give lectures.

Investigator: Oh, when will he come back?

Secretary: He will be back next week. Are you in a hurry?

Investigator: Oh, he is available next week. It's better I wait for him to come back. OK, which day next week will he be available to answer the phone?

Secretary: Probably next Tuesday, most likely on Tuesday~

Investigator: Oh, that's good.

Secretary: He's most certainly available on Tuesday.

Investigator: Oh, that's good, that's fine. Then I will call this number next Tuesday, right?

Secretary: What kind of surgery do you want to schedule?

Investigator: A liver transplant.

Secretary: Uh, in that case, how about this, if it's convenient for you, since I do liver transplants myself, if you think it's okay, I can arrange one for you first. What is the patient's situation?

Investigator: Oh, that's great. He is like this, he has Type B blood.

Secretary: Type B blood, right?

Investigator: Type B blood, yeah. The person is 45 years old this year. His current situation is not too bad, but the doctor said that it's better to do it now, when the situation is not too bad, and the result would be good.

Secretary: Hmm, hmm

Investigator: What about the donors you are using now, donor liver sources, are they still the normal donors of Falun Gong practitioners?

Secretary: What?

Investigator: Regarding liver donors, the liver sources, the situation now is that in general they are the type of healthy donors, right? The kind from Falun Gong practitioners, right?

Secretary: Right, right, right, ah.

Investigator: Ah, that's great. In your opinion, then, when can you arrange a surgery if the patient comes over?

Secretary: Ah, it's like this, once you come over, I will arrange for him. That is, first you have to send me the patient's information.

Investigator: Sure.

Secretary: Right.

Investigator: That's good.

Secretary: Send me the patient's information. After that, I have to look at his specific situation.

Investigator: Right.

Secretary: Uh, after a while, let's wait for a while, I will send you a WeChat ID.

Investigator: Hmm, good.

Secretary: You send me his brief information; I have to have a look.

Investigator: Okay, that's fine.

Secretary: To look at his specific situation...

Investigator: It's like this now....

Secretary: The current situation and how urgent it is.

Investigator: Oh, that's great. It's like this, I am now in Chengdu, and, my relative, he is in Fengtai, Fengtai in Beijing. I will discuss this with my family, then I will call you back, okay?

Secretary: Uh huh um.

Investigator: Because...

Secretary: In a while I will send you, a cellphone number.

Investigator: Okay.

Secretary: Do you know what I mean? The first thing is that he should send ... to me.

Investigator: Okay.

Secretary: I make an arrange for him first and let President Shen see him after he returns.

Investigator: OK, OK, that's fine, that's OK.

Secretary: No problem, no problem.

Investigator: Hey, may I have your name? How should I address you?

Secretary: Bai, Bai Rongsheng.

Investigator: Pardon me?

Secretary: I will send you a text message later.

Investigator: OK, well, thank you very much.
