Summary

1. Investigator: Are there organ donations?

Red Cross official: We only have these here, (the body donation receiving station) these three parties of contact.

2. Investigator: Do you have any organ donation in Xicheng District?

Red Cross official: Because we are not an organ donation office here, if someone calls, we tell them the phone numbers of the three body receiving stations.

3. Investigator: You don't have any work on organ donation here, you do not have this kind of business!

Red Cross official: Oh, this is not clear to me because I am not responsible for this job.

4. Investigator: You have no organ donation office in Xicheng?

Red Cross official: Do we have? Oh~, yes, I don't know if I have it. We have only, they gave us only these contacts. ...just like at our level, there is no special office.

5. Investigator: Does this coordination office belong to Beijing Red Cross or Beijing?

Red Cross official: It is the Coordination Office of the Donation Work of the Beijing Municipality and is located in the Volunteer Service Department of the Beijing Red Cross Society.

6. Investigator: Just bodies, not organs?

Red Cross official: Correct, we do not have organs specifically.

7. Investigator: Are you the Xicheng District Red Cross Office?

Red Cross official: Yes! If you want to investigate other aspects, you can call the organization promotion department of the Xicheng District Red Cross.

They gave us your phone number. If there are people who want to investigate, they are more authoritative, and they are more certain than we are.

Telephone Investigation Recording

Investigator: Hello, greetings. Are you the Xicheng?

Red Cross official: Yes

Investigator: Oh. Are you the organs donation office in the Xicheng District that?

Red Cross official: Oh. I am not an organs donation office. Please wait for me to get that phone number right away.

Investigator: Hello, OK, thank you!

Red Cross official: Hello, greetings!

Red Cross official: Oh. Capital Medical University

Investigator: Oh. Capital Medical University! Red Cross official: Oh. Jing Peng, Jing as in Feng Jing.

Investigator: Oh, Jing Peng. Oh, Jing Peng. Oh, OK.

Red Cross official: Yes. Phone number 8 3 9 1

Investigator: Oh, 8 3 、 8 3 9 1 o k 。

Red Cross official: 1 4 4 3

Investigator: 1 4 4 3

Red Cross official: Cell phone, and Peking University, the Medical Department of Peking University.

Investigator: Oh, Medical Department of Capital University?

Red Cross official: Capital Medical University

Investigator: Capital Medical University?

Red Cross official: Yes

Investigator: Name is Jing Peng?

Red Cross official: Yes

Investigator: What about the other one?

Red Cross official: The other one is

Investigator: Peking University

Red Cross official: Medical Department of Peking University.

Investigator: Oh, Medical Department of Peking University. OK. What is the telephone number?

Red Cross official: Gu Peiliang, Gu as in Gu Jin, or Gu Dai. Jing Peing is also the contact person for the Capital Medical University. Now Gu Peiliang is the contact person for the Medical Department of Peking University.

Investigator: Oh, Oh, OK, OK. I understand. What is the phone number for Peking University? Please tell me the phone number.

Red Cross official: Phone number is 8 2 8 0 . There is one more.

Investigator: OK.

Red Cross official: Union Medical College

Investigator: Oh, Union Medical College, Oh, Union Medical College. Go on.

Red Cross official: Wang Naili

Investigator: Name is Wang Naili. Is that a man or women? Wang Naili?

Red Cross official: Oh, we don't know.

Investigator: Then I want to the investigate you. You gave me three contacts, they are all for donations?

Red Cross official: These three are all contacts for body donations.

Investigator: Oh, you said these are for body donations?

Red Cross official: Yes, contacts for body donation stations.²

Investigator: How about the other two, the Peking University that you mentioned...

Red Cross official: All of them are.

Investigator: All of them? So there are no organ donations? What about organ donations?

Red Cross official: Organ donations, we only have these three contacts.

Investigator: Oh, so in the Xicheng, you don't work on organ donations?

Red Cross official: Oh, as for us, because we are not organ donations office. If people call us, we are responsible for telling them the phone numbers of these three body donation stations.

Investigator: So in Xicheng there is not organ donation project?

Red Cross official: Oh, because the number you are calling is not for organ donation. The three places are specifically responsible for receiving organ donations ... body donations.

Investigator: Ah. So in the Xicheng District, there is no organ donations office?

Red Cross official: I am not very clear. Body donations work in Beijing, and coordination office, is in the Volunteer Service Department of the Beijing Red Cross Society.

Investigator: You are referring to Beijing Red Cross Society?

Red Cross official: Oh, yes, yes, yes. Beijing Body Donations Coordination Office. It is under the Volunteer Service Department of the Beijing Red Cross Society. They have a consultation telephone.

Investigator: Oh. Body donation, still body? Not organs?

Red Cross official: Correct. We do not have anything specifically for organs.

Investigator: Oh, nothing for organs?

Red Cross official: Correct.

Investigator: Body Donation what?

Red Cross official: Coordination Office.

Investigator: Oh, Coordination Office.

Red Cross official: Yes.

Investigator: Oh, Coordination Office. So who can we contact? Who can we contact specifically?

Red Cross official: They did not specify. Because I have a pile, a piece of phone contact. I have already told you.

Investigator: SO you are saying, in Xicheng, there is no organs donations office?

Red Cross official: Within the department that you are calling, we don't have it.

Investigator: Oh, I got it. So in Xicheng you don't have organ donations office, only referring ...

Red Cross official: Oh, correct. I don't know if there is such an office. We only have these contacts.

Investigator: So you do not have organ donation work. You do not engage in such work!

Red Cross official: Eh, this I am not sure. I am not responsible for this work.

Investigator: Eh, so if people want to investigate on the organ donations, you refer them to these places.

Red Cross official: We tell them these contacts.

Investigator: Oh, then people who need donations will contact these parties.

Red Cross official: Yes.

Investigator: Oh. Then I understand. You don't have organ donations office specifically...

Red Cross official: Correct. The phone number that you called, at the department of our level, there is no specific office. Beijing level, the Volunteer Service Department of the Beijing Red Cross Society.

Investigator: Oh, that is the coordination office or something. Oh, the Beijing Red Cross Society, Beijing Red Cross Society, they work on organ donations specifically, are they under Red Cross Society?

Red Cross official: They are the Beijing Red Cross, Eh, Beijing Body Donations Coordination Office. They are in the Volunteer Service Department of the Beijing Red Cross Society.

Investigator: Oh, in that Service Department. Red Cross Society, that office. Is that in an office building?

Red Cross official: They are under the Support Service Department. Exactly where I don't know.

Investigator: Oh, under the Support Department. OK, now I know. So in Xicheng you don't do it, specifically organ donations department, right?

Red Cross official: They just told us, if people call us to investigate, we will tell them these contacts, tell everybody. Ah.

Investigator: So you are the Office of Xicheng District Red Cross Society?

Red Cross official: Yes! If you want to investigate other things, you can call the Organizational Promotions Department of Xicheng District Red Cross Society.

Investigator: Oh, Oh, Oh, Oh, then I will, OK. The Promotions Department deal with other things. I am mostly concerned with organ donations.

Red Cross official: Yes, the detailed phone numbers were given to us by them. They say if people want to investigate, they are more authoritative, and surer about it than us. We are not responsible for these.

Investigator: So you are the Office of Xicheng Red Cross Society. They passed these to you and asked you to refer to them. If people want to donate, you will refer to them?

Red Cross official: Ah, not exactly. Oh, yes, it is like this, just tell people, not exactly referral, just to pass on the information to people.

Investigator: Oh, OK, that is it. So thank you!

Red Cross official: I am sorry, I did not solve your problem.

Investigator: No, no problem. I am quite happy. You told me so much information.

This is very good. Thank you. When I have time, I will contact you again.

Red Cross official: OK, OK, you are welcome.

Investigator: Oh, OK. Goodbye, goodbye!

Red Cross official: OK, goodbye.
