Summary

1. Regarding the organ donation, Beijing Red Cross Society did not open this business.
2. We only deal with body donate, no organ donation. You still must contact major hospitals for organ donation.
3. We don't have direct relationship with hospitals, because the nature of our work is different.
4. We only accept the work arranged by Beijing Red Cross Society. What it arranges for us now are three counterpart hospitals, for body donation.
5. We don't have contact numbers of Chaoyang Hospital and Armed Police General Hospital. Because we don't have any connection with them, and they don't belong to our system.

Telephone Investigation Recording

Ms. Sun: Hello, how are you!

Investigator: Hello! Are you Organ Donation Division of Beijing Chaoyang District Red Cross Society Office?

Ms. Sun: Hi, how are you! We are Beijing Chaoyang District Red Cross Society Office.

Investigator: Hi, hello! I need your help and would like your advice. I have a friend at Fengtai (District), he suffers from late liver cirrhosis, and need liver transplantation. I would like to know how your organ donation going, can you help?

Ms. Sun: In that case, regarding the organ donation, Beijing Red Cross Society did not open this business.

Investigator: this business (organ donation) isn't open now, is it?

Ms. Sun: Correct. We only deal with body donate, no organ donation. You still must contact major hospitals for organ donation.

Investigator: major hospitals. Then you, that, hospitals like Chaoyang Hospital, etc., who do they contact if they look for organs?

Ms. Sun: We are not quite sure about this, because we don't have direct relationship with hospitals, the nature of our work is different.

Investigator: oh, then...

Ms. Sun: We only accept the work arranged by Beijing Red Cross Society. What it arranges for us now are three counterpart hospitals, for body donation. There is neither such information nor documents.

Investigator: So three hospitals, who are they?

Ms. Sun: the three are, Capital Medical University

Investigator: who else?

Ms. Sun: Peking Union Medical College

Investigator: Peking Union Medical College, who else?

Ms. Sun: Peking University Health Science Center

Investigator: oh.

Ms. Sun: could you please write down their phone numbers and consult them?

Investigator: oh, now my friend is at Fengtai District. We want to contact ourselves such a hospital (that has liver donation available). Do you have a contact number for Chaoyang Hospital, or the Armed Police General Hospital?

Ms. Sun: I really don't have it. We also check it online, because we don't have any connection with them, and they don't belong to our system.

Investigator: oh, then I just want to ask you when you (Chaoyang District Office) will start this business (organ donation)?

Ms. Sun: it has been discussed in the (Beijing) City for a long time, it may require a lot of coordination work, so we have been paying attention to this issue. We have been doing body donation for many years. We have heard that it has been operating recently, including train workers for organ donation. It might be soon.

Investigator: oh, ok. Thank you!

Ms. Sun: you are welcome.

Investigator: How do I address you?

Ms. Sun: me?

Investigator: yeah, your last name?

Ms. Sun: oh, Sun. my last name is Sun.

Investigator: ok, Sun, thank you very much!

Ms. Sun: you are welcome, goodbye!
