Phone Investigation Recording

Doctor: We have done quite a lot here. We do nearly 200 cases every year.

Investigator: 200 cases, how about this year, have you done a lot this year?

Doctor: This year, we will break through 200 cases.

Investigator: This year, you can break through 200 cases. Have you done 200 cases by now?

Doctor: We haven't counted them yet. Anyway, we did four operations last week.

Doctor: It is impossible for someone to sell his liver. Someone may sell a kidney. But no one will sell his liver.

Investigator: No one sells his liver. I thought the liver and kidney...

Doctor: The human body has only one liver, so it is impossible for one to sell his liver.

Investigator: Oh.

Doctor: Regarding the specifics, you need to come over, and then have a face-to-face talk with the professor of our transplantation group, okay?
