Summary

1. Investigator: Okay, okay. I have another [question]. You are using Falun Gong practitioners as the donors, that is, those healthy donors, right?

Peng Zhihai: Definitely healthy. How can it be acceptable if they're not healthy?!

2. Investigator: The main concern is if you can check the quality of the donors — the Falun Gong (practitioner) donors!

Peng Zhihai: No problem, no problem.

Phone Investigation Recording

Peng Zhihai: Hello? Hello? Hello?

Investigator: Hello! How are you? Is that President Peng Zhihai at Shanghai General Hospital?

Peng Zhihai: Oh, yes, speaking. That's me. Hello.

Investigator: Hello, I just called you, but the line was busy. I'm calling from Chengdu, Sichuan. I am the deputy director of the Office for Maintaining Stability at the Sichuan Provincial Political and Legal Affairs Commission. I have a relative in Shanghai. He needs to do a liver transplant, so I am calling to ask for your help, President Peng.

Peng Zhihai: Uh-huh. Sure, give him my phone number and have him call me, ok?

Investigator: Yes, here's his situation. I'll tell you briefly: His blood type is B, he's 45 years old, oh, and his condition isn't too bad right now.

Peng Zhihai: Ok, all right, all right. No problem.

Investigator: That's great. I want to ask how long it will take to schedule the surgery, if he comes to your hospital?

Peng Zhihai: I am not sure exactly when the surgery can be scheduled, but I'll do my best for you. I'll try my best, okay?

Investigator: Okay, okay. I have another [question]. You are using Falun Gong practitioners as the donors, that is, those healthy donors, right?

Peng Zhihai: Definitely healthy. How can it be acceptable if they're not healthy?!

Investigator: Haha.

Peng Zhihai: You give him my phone number. I'm busy right now. I will help you. You need to believe me. I will try my best to help.

Investigator: The main concern is if you can check the quality of the donors — the Falun Gong (practitioner) donors!

Peng Zhihai: No problem, no problem.

Investigator: No problem, right?

Peng Zhihai: Right, right, right.

Investigator: All right, thank you.

Peng Zhihai: Yes, no problem!
