Phone Investigation Recording

Investigator: Is that the Nursing Department of the No. 463 Hospital?

Staff-on-duty: Yes.

Investigator: Is that the Kidney Transplant Department? We have a patient, whom we want to transfer to you, because the PLA's No. 463 Hospital has better techniques. Are you still admitting new patients?

Staff-on-duty: Um...who is that speaking?

Investigator: I'm calling from Xuecheng City, Shandong Province.

Staff-on-duty: Ah, um...I don't know. Can you ask the department about that?

Investigator: Now are you...?

Staff-on-duty: Are you transferring a patient?

Investigator: Ah, what are you saying?

Staff-on-duty: Are you coming here for the surgery or transferring a patient from another hospital to our outpatient services? Are you the hospital or the patient?

Investigator: I'm the patient's friend, and also work at a hospital. Let me ask you: does your air force hospital have better techniques than a local (civilian) one?

Staff-on-duty: Ah...now we all started doing kidney transplants. Let me give you the phone number of the kidney transplant department, and you can consult with them, okay?

Investigator: Aren't you also the kidney transplant department?

Staff-on-duty: No, I'm the nursing department. We are an office.

Investigator: Oh...you have started doing kidney transplants, haven't you?

Staff-on-duty: Yes, we have.

Investigator: Did you do a lot?

Staff-on-duty: Yes, a lot.

Investigator: Is that right? How long do the patients wait (for organs)?

Staff-on-duty: I'm not sure about that. Would you please ask the department?

Investigator: How many cases can you do in a year? How many have you done this year?

Staff-on-duty: I'm not quite sure about that, because we are the nursing department and an office. You have to consult the department for details.

Investigator: Ok, please give me their phone number...

Staff-on-duty: Just a second. It's 238845332.

Investigator: Is this the number of the Transplant Department?

Staff-on-duty: Yes, yes! The area code needs to be added. (Investigator: Will you?)

Anything else? I am sorry I have another call coming in.

Investigator: Ok, thanks a lot!

Staff-on-duty: You are welcome!
