Summary

Investigator: His family members hope that, they hope to use that type of Falun Gong (practitioner) donors. If this kind of donors are available, he (i.e. the patient) will definitely come over immediately.

Chen Huaizhou: Yes, yes! You come over to be hospitalized for a checkup, have an examination, get a checkup first.

Phone Investigation Recording

Chen Huaizhou: Hello?

Investigator: Hello, how are you? Is that Director Chen Huaizhou, the director of the Kidney Transplant Department at the People's Liberation Army (PLA) No. 181 Hospital?

Chen Huaizhou: Hello there.

Investigator: Hello. Hello there. Here is the situation. I am calling from Chengdu, Sichuan. I am the deputy director of the Office for Maintaining Stability at the Sichuan Provincial Political and Legal Affairs Commission. I have a relative in Guangxi. He needs a kidney transplant. I want to contact you to see if you can arrange for a kidney transplant.

Chen Huaizhou: In Sichuan, cannot he have it done in Chengdu? Look at West China Hospital, Sichuan University, they have been doing a lot (of kidney transplants)!

Investigator: But he lives in Guangxi, he looks for a hospital close by.

Chen Huaizhou: Oh, his home, he is from Guangxi.

Investigator: He lives in Guangxi, a relative of mine, I help him make contact. This is the situation.

Chen Huaizhou: Ah~ How did you get to know my phone number?

Investigator: My friend recommended your hospital, saying that you are doing a better job there. Since my relative lives in Guangxi, he's asking around! He asked me to contact you, to see if you can arrange it here. Here is his situation. His blood type is B,

and he is 45 years old. Oh, the doctor said that he must do the kidney transplant now. He can't afford to not do it!

Chen Huaizhou: He is now ~, where is he?

Investigator: He's in your area~ very close to Guilin, just near there.

Chen Huaizhou: Ah, in Guilin City, Guilin area.

Investigator: Yes, Guilin area, right, Guilin area. It depends on you, if he comes (to your hospital), now~ How long will it take to have the surgery arranged approximately?

Chen Huaizhou: What is his name?

Investigator: He is called Wang Xiao, Wang Xiaoqiao.

Chen Huaizhou: Did he do hemodialysis here before?

Investigator: No, he didn't. He didn't come to your hospital. His family is saying that if you can arrange it, he will immediately come to see you.

Chen Huaizhou: Sure, he can be hospitalized here for a checkup.

Investigator: Right.

Chen Huaizhou: To see whether he is suitable for an organ transplant, if suitable, he just needs to wait in line for donors.

Investigator: Yes, yes, of course, yes, of course, the operation result is the most important. The organ quality of the donor is the most important. The organs you are using now are the type of Falun Gong (practitioners' organs), healthy organs, right?

Chen Huaizhou: There are all the donations by dying patients. These were used before, hehe.

Investigator: I know that your hospital is doing quite a lot in this area, and quite well, too. I know that you're using the type of healthy donors of Falun Gong practitioners.

Chen Huaizhou: Both hospitals in Guangxi can do this pretty well!

Investigator: Oh, your No. 181, No. 303 (hospitals), right? You are talking about No. 303 hospital, right?

Chen Huaizhou: Oh, yes.

Investigator: Your donor sources are relatively abundant, right?

Chen Huaizhou: The same, the same, they can do this, too. [Tell him to] come over to be hospitalized for a checkup, okay?

Investigator: Oh, ok, anyway, if they're this kind of (Falun Gong practitioner) donors, of course it would be very good. I am saying that, his family members hope that, they hope to use that type of Falun Gong (practitioners) donors. If this kind of donors are available, he (the patient) will definitely come over immediately.

Chen Huaizhou: Yes, yes! You come over to be hospitalized for a checkup, have an examination, get a checkup first.

Investigator: Okay.

Chen Huaizhou: Check to see if he can do it.

Investigator: Well, ok, yes, that is, when he comes over, you will give him a checkup, then you will do [tissue] typing, right?

Chen Huaizhou: Ah yeah, [tissue] typing, drawing blood for tests, ... if he wasn't checked up, he can be hospitalized here for a checkup...

Investigator: Well, okay, that's good, anyway, I just ask whether it can be done. I will tell his family members and let him come over as soon as possible. It is very good that you can guarantee it is this kind of donors (i.e. Falun Gong practitioners), okay!

Chen Huaizhou: Sure, sure.

Investigator: That's it, they come straight to find you after coming here, right?

Chen Huaizhou: Yes, we will follow... We can, yes, no problem, you can go to the clinic to find me! Okay.

Investigator: Okay, okay, you said no problem, that is, the Falun Gong (practitioner) donors?

Chen Huaizhou: Right.

Investigator: You guarantee that there is no problem, right?

Chen Huaizhou: There is no problem in hospitalization. There is no problem in hospitalization.

Investigator: But the donor quality has to be guaranteed!

Chen Huaizhou: The donor quality is definitely.... Let's talk about it later, okay? Let's look at the situation first.

Investigator: Okay, we will come and talk, okay?

Chen Huaizhou: Okay, okay, we'll come and talk!
