Summary

On December 21, 2015 (86-7503165709, phone call lasted 19:08 seconds), when a Falun Gong practitioner asked the doctor on duty in the Department of Cardiac Transplantation, Central Hospital of Jiangmen, Guangdong Province: “How many organs have you carved out from living Falun Gong practitioners?” He replied, “Countless.” When being asked again: “Do you dare to confirm it is ‘countless’?” He repeated again, “Countless.” This doctor directly threatened the Falun Gong practitioner who called him: “If you dare to come here, I will kill you, I kill you, I will see you go to heaven or hell”.

(The doctor’s name is unknown. When being asked whether he was Li Lunming, the director of the department, he didn’t confirm or deny it. Considering about the time of the call, he might be a doctor on duty, while Li Lunming, the director, should be off work at that time. Therefore, whether the man answered the phone was Li Lunming or not, it is uncertain. He is hereinafter referred to as a doctor)
