Doctor: Hello?

Investigator: Oh...yeah! Hello, hello! Well... I want to ask a question.

Doctor: Well, please go ahead.

Investigator: Well, I want to ask does your Tianjin First Central Hospital perform kidney transplantation? And, is there a long line of patients waiting?

Doctor: Yes, a lot!

Investigator: Really?

Doctor: Yes!

Investigator: If I request the service now to get on the waiting list, can I have the transplantation operation at the end of this year?

Doctor: It depends.

Investigator: Oh... then, what do you suggest... I mean... have you done many cases this year? I mean this kind of kidney transplantation.

Doctor: Well, a lot.

Investigator: A lot? Oh, can you give me an estimated figure? I just want to make sure.

Doctor: Well... we've already done over 200 cases this year.

Investigator: So, just kidney transplantation, for a year, can you do about 400 to 500 cases? Like the liver transplantation?

Investigator: Ok...ok...well, doctor, I would like to come back to find you later. You are with the Kidney Transplantation Department, right? and your last name?

Doctor: Well, my last name is Feng.

Investigator: OK! Great... then, yeah, I would go to your hospital for pre-examination, if I go back home. Well, great, thank you!
