Hang Hualian: Hello? Hello.

Investigator: Hello! Is that Director Hang Hualian of the Shanghai Renji Hospital's Liver Transplantation Center?

Hang Hualian: Yes, speaking. Who is that?

Investigator: Hey, hello! I am the deputy director of the Office for Maintaining Stability at the Sichuan Provincial Political and Legal Affairs Commission. I am calling from Sichuan. I have a relative in Shanghai, who has the late-stage liver cirrhosis and needs a liver transplant. So, he wants to come to your hospital and ask you for help!

Hang Hualian: Sure, sure, he can.

Investigator: Then you can help?

Hang Hualian: How did you find me?

Investigator: Haha, my friend referred you to me. He said that there's a possibility that [the surgery] could be done faster at your place. (My relative) wants to do it sooner than later!

Hang Hualian: Which friend referred you to me?

Investigator: Oh, I have a friend, who works in the Political and Legal Affairs Commission in Shanghai. He gave me your info. So, I want to ask: If we decide to do it, how long it would take to schedule an operation?

Hang Hualian: What's his blood type?

Investigator: His blood type is B.

Hang Hualian: Where is he located?

Investigator: He's currently in Shanghai.

Hang Hualian: Do you know where he is in Shanghai? At a hospital or at home?

Investigator: He's currently at home.

Hang Hualian: Let's do it like this. You tell him to come to me tomorrow, alright?

Investigator: Sure, okay then. I want to ask approximately when will the surgery take place? So I can come over... So, if...

Hang Hualian: Tomorrow. Come to see me tomorrow, and I'll try my best to get it done for you within one week.

Investigator: That's great. Getting it done in one week is great. Ok then, I will discuss this with him and then immediately have him call you tomorrow. Where can [he] find you?

Hang Hualian: I will send you an address, ok?

Investigator: Ok, send me the address. Also, I want to ask about the donors. You are using Falun Gong (practitioner) donors now, right?

Hang Hualian: Yes, this is for sure.

Investigator: Ok, ok, all right. Well, thank you! I will discuss with my relative immediately.

Hang Hualian: Come and find me. I will send you the address. Then, first thing tomorrow, come find me.

Investigator: Okay.

Hang Hualian: I have a few other things to do tomorrow morning, so come to see me early in the morning tomorrow.

Investigator: Okay.

Hang Hualian: I will arrange an admission for you at the hospital as soon as possible.

Investigator: Ok, thank you!
