Phone Investigation Recording

Investigator: Hello, is that President Hua of Jilin University's Affiliated Hospital? Is that President Hua Shucheng speaking?

Hua Shucheng: Hello, who is calling?

Investigator: We've learned that your hospital is collaborating with the Travel Radio to start a free liver transplantation program for 10 children. We want to learn more about it. First, is this real or not? Second, how will you execute the program?

Hua Shucheng: The program is real. But I am having a meeting now. I really don't have time to answer your questions.

Investigator: OK, then I want to ask one question. In general, if your enrollment requirements are met, since you have announced to perform 10 [free] liver transplant operations, you must have prepared the liver sources, right?

Dean Hua: Yes, yes. You should talk to...I am having a meeting right now. So you talk to them, OK?
